Answer

MINISTER OF STATE FOR DRINKING WATER AND SANITATION
(SHRI RAM KRIPAL YADAV)
(a) The State/UT-wise details of funds allocated and utilized for implementing National Rural Drinking Water Programme (NRDWP) in the country during each of the last three years and the current year are at Annexure.

(b) to (d) Under NRDWP, there is no provision of any additional allocation to States. However, any additional release of funds under National Rural Drinking Water Programme to any State / UT can be made at the end of the financial year after taking into account the requirement of the State / UT, the extent of utilisation of the funds already released to the State / UT and the availability of savings at the central level. During 2015-16, no additional release has been made to any State as on 29.02.2016.
All proposals for additional allocation to States including North Eastern States will be considered only after 15th March 2016 subject to the conditions cited above.
